**A Kidney Remedy Advertisement**  
Brought Great Happiness

I take pleasure in stating that I have used Dr. Kilmer's Swamp-Root that I was greatly benefited by the same and have used it in my family. I had a son, when quite young he suffered from bladder or kidney affliction. I called in my physician, he attended him but did him no good. Almost by accident I noticed an advertisement about the curative properties of Dr. Kilmer's Swamp-Root. I procured a bottle and gave it to him according to directions. It cured him of what we thought was almost impossible and the same with others of my family. I have such strong faith in Swamp-Root that I have never done without it in my family since the wonderful cure of my son as well as myself. I recommend it to all who suffer from kidney or bladder troubles and I am led to believe that it is one of the best medicines for the purpose for which it is used, that has ever been discovered.

This is my experience from the use of Swamp-Root. Wishing the promoters of this wonderful medicine a large sale to the suffering public, I am Yours respectfully,

### Public Sale of Land AND PERSONALTY.

As executor of James Robinson, deceased, I will sell to the highest and best bidder at his late residence near Bustle in Lincoln county, Ky., on

THURSDAY, SEPT. 12, 1912

The following personal property and real estate. The sale will begin promptly at 10 o'clock A. M. The farm is composed of about 265 acres and is about five and a half miles from Lancaster, six and a half mile from Danville, and about five and a half miles from Stanford, and is divided into tracts by the old Danville and Lancaster turnpike with about 176 acres in one tract, and about 95 in another.

This is an unusually well watered farm, the land lying practically level and is all under good fence. The farm will be offered in two tracts and then as a whole and the highest and best bid will be accepted. This farm is unexcelled in central Kentucky in its fertility, beauty and convenience. What is known as the home tract has been used almost exclusively for a stock farm for fifty-seven years, about sixty five acres in virgin soil in blue grass, with some very fine sugar trees, walnut and ash timber. About sixty acres has been in blue grass about fifty years without being plowed and the remainder of the place has been plowed only a few times in fifty years.

The home place is watered by six never failing springs, two wells, one good pond, and a large cistern. There is a large residence, a good stock barn, and a tenant house on the home place.

TERMS.—One third cash, one third in one year, one third in two years. Notes will be required and a lien retained upon the land notes bearing interest at the rate of 6 per cent from the date of the sale.

Anyone desiring to look at this farm will call upon either J. E. Robinson, at Lancaster, J. A. Robinson, Jr., John C. Robinson, Danville, Ky., who will take pleasure in showing it. This will be sold without reserve or by bid to the highest and best bidder. This is a rare opportunity to obtain one of the best farms in the blue grass of Kentucky.

The following is a part of the personal property: Twenty six 1,200 pound cattle, quality good, five good milk cows, grade herds, two good grade hereford heifers, one short horn bull, three calves, sixty stock ewes, one pair of aged work mules, one five-year-old mule, one four-year-old mule, five coming four-year-old mules, all well broken and good ones, three two-year-old mules and well broken, two brood mares, one mare mule colt, and twenty five stock hogs. Also about four hundred bales of hay, one Vulcan plow, good as new, one cutting harrow, one McCormack binder, good as new, two two-horse wagons, two drag harrows, one slide and other farming implements too numerous to mention, also about 30 acres of corn.

Dinner served on the grounds. Any further information call on

J. E. Robinson, Atty. Lancaster, Kentucky.

### HERE'S THE HOG

BOURBON REMEDY CO., Lexington, Ky.

This hog was almost dead before using the medicine, and then was entirely cured, except loss of ears, tail, etc. The hog is owned by Mr. Skiles Ewing, of Bowling Green, Ky. R. C. Hocker will feed a number of shoats at his farm on the Knob Lick pike, five miles from town, this fall. R. C. Arnold delivered to him this week a drove of 24 head, for which Mr. Hocker paid \$57.50 for the bunch.

B. D. Holtzclaw, of near town, shipped a car load of porkers to the Cincinnati market last week, which he had bought in small bunches from various parties. The largest drove in the car were from Henry Catron, of the Crab Orchard section, which weighed up to about 125 pounds apiece and brought 7 cents a pound.

Charles Lutes, the prominent and popular stock dealer, left with his family for Goldsboro, N. C., Monday night, where he will deal extensively in horses and mule flesh this winter. This is his second season there, and he believes will be as successful or more so than last year.

Mr. Lutes bought a nice pair of aged mare mules from Bird Matheny, of the Somerset pike, four miles from town before leaving. He gave \$375 for them.

Two of the prize winning ponies, shown at the fair here last week, changed hands almost before they had been taken out of the rings, wearing the blues. Dick Scudder bought from Adam Pence, representing his sister, Mrs. W. J. Dozier a couple of beauties, one a mare and the other a horse, for \$400 for both. Almost immediately afterward, Mr. Scudder sold the mare to W. P. Grimes, whose son Joe had made such a good show with her in the ring. Mr. Scudder got \$200 for her. He thinks, however, that the other pony is worth more, and is holding her at a much higher price.

Joe Miller, formerly of Lincoln, was at Crab Orchard and here a short time Saturday looking for horses for his great 101 Ranch west show which is now in Louisville.

Mr. Miller did not find many animals which suit him, but picked up a station here which he bought from B. D. Holtzclaw for \$350. The animal is a fine 5-year-old, and of a golden yellow color, being very unusually marked in that respect, and a very handsome horse to look at.

He is sired by Walter Walker's old sire of the same color, and he took Mr. Miller's fancy the minute he looked at him.

There were about 500 head of cattle on the market at Lancaster Monday and the trading was brisk on everything offered. Most of the stuff present was of a medium

grade, however, and prices did not go much over 5 cents. Mules were rather scarce, a few colts being seen and prices asked much too high, the buyers generally declared.

Joe Bales of Madison, bought Friday fifty-four 1,350 pound cattle from W. F. Park at 7 1-2 to 7 3-4 cents per pound. Mr. Bales also purchased from W. H. Park thirty-six cattle averaging about 1,425 pounds at 7 1-2 cents. These cattle were engaged in the early spring. —Richmond Clinax.

R. C. Arnold, who is always on the buy, for shipping stock, bought nine head of small porkers from Mack Rigney this week, paying him \$16 for the drove. Jim Griffin, of the Highland section, delivered to Mr. Arnold a bunch of the same number, but somewhat larger in size for which he got \$37.50. Mr. Arnold who has been scouring the knobs for these small pigs, got nine from a Mr. Elliott for \$15.

J. F. Gadberr, a well known citizen of near Phil, Casey county, has been here for several days with Sam J. Bell, looking for a suitable Lincoln county farm to buy. Mr. Gadberr is the right kind of citizen for any county and his friends here hope that he will get located in this section.

Tom Rankin, just over the Gardner line, who is preparing to feed several loads of mules for the southern market, was at Lancaster Monday, picking up the good ones that he could buy right. Mr. Rankin bought a nice mare mule from John Cress for \$135.

Mr. Rankin bought a total of ten head of mules during the past week, from various parties, paying from \$125 to \$175 a head for them according to their quality. They were from four to six years old.

J. H. Thompson, of the Preachersville section, sold a couple of nice bunches of feeding cattle last week. One bunch went to Anderson of Boyle county. There were 20 of them and they weighed about 500 pounds each. Mr. Thompson got a nickel a head for them. He sold 20 thousand-pounders to Richard Cobb, just over the Boyle line, at 5 1-2 cents a pound, and they will be delivered in October.

George Spoonamore, one of the best known young Lincoln county farmers, bought the T. B. Robinson farm, on the Richmond road, two miles from Lancaster, this week, and will move there to make his home. There are 130 acres in the place, which is one of the nicest little farms around Lancaster. Mr. Spoonamore paid \$90 an acre for it. Hughes & Swinebroad, the hustling real estate men of Lancaster handled the sale.

W. B. Burton, the well known horse and mule dealer of Lancaster, was on the look for some good stuff at court there Monday but didn't find much that suited him. However, he got a cotton mare mule

from Ambrose Catco, of Garrard, which cost him \$150. He also bought a nice mare from Will Chancellor, of the Walnut Flat section of this county, which cost him \$135.

Will Lillard, the Boyle county buyer, was at Lancaster Monday, and bought of G. D. Broyle, of Garrard 40 calves at \$22.50 a head.

Will Embry, of Garrard sold eight high class yearling mules to Spillman and Isom, of Burgin last week. He got a fancy price for the feeders.

John Farra, just out from Lancaster on the Stanford pike, bought a bunch of 17 yearling feeding cattle from W. L. Moore, of Williamsburg at court there Monday. Mr. Farra paid \$26 a head for them.

Will Logan of the Gilbert's Creek section, is having a commodious tobacco barn built on his place. His tobacco is looking exceptionally well and he will soon have the house ready for it.

T. W. Jones & Co., the local buyers, shipped a load of cattle and hogs to the Cincinnati market Saturday. They got most of the work from G. E. Lutes at 7 1-4 cents, and the cattle at about 4 1-2 cents.

T. M. Arnold, the well known Garrard farmer, bought from Jean Rubles, also of Garrard, on Monday, a three-year-old horse mule, for which he paid \$100. Mr. Arnold sold to W. R. Cook a pair of mare mules for \$265. They were three and seven years old, respectively.

J. L. Hinchins, the well known Boyle cattle buyer, was in Lancaster Monday, and picked up a bunch of 500 to 600 pound cattle from various parties, which cost him an average of about 4 cents. He will graze them for a short time before sending them to market.

Mr. Hinchins bought a span of 15 hand mare mule at the same place, which cost him \$325.

H. G. Lutes, four miles from town on the Hustonville pike, bought from Granville Lutes, a drove of 40 hogs last week, which weighed about 200 pounds each. He paid about 7 1-4 cents a pound for them as they were good ones. They went in a shipment to the Cincinnati market. Mr. Lutes purchased five butcher cattle from B. F. Goode, of the Turnersville section, at 4 1-4 cents a pound.

An idea of the brisk trade in cattle at Lancaster Monday can be obtained from the number of times a bunch of 40 head of 400-pound feeders changed hands. The cattle first came in from Palaski, and were sold by their owner C. C. Randolph, to Will Lillard, of Boyle. Mr. Lillard did not keep them long, soon disposing of them to Albert Owens, of Preachersville section at a profit of \$15 on the bunch. Mr. Owens was bargain hunting himself and quickly had a sale made to Tom Duckworth, of Garrard at \$23.25 on the head, netting Mr. Owens a profit of \$15 on the bunch also.

T. D. Chestnut, of the Marksbury section of Garrard county, has been making some sales of jack and mule stock lately. He sold to Frank Robinson, of the same section, a jenny with a young jack colt for \$290 for the pair. Mr. Chestnut sold a mare mule colt to Green Bowling, of the Marcellus section of Boyle, for which he received \$110. Another mare mule colt went to Bob Rankin, of the Hedgeville community, for which Mr. Chestnut got \$80.

Everyone who visited the Floral Hall at the K. P. Fair was impressed with the splendid display of general farm products made by Mr. W. P. Givens, of the Shelby City section of this county. Mr. Givens had on exhibition three samples of alfalfa from his splendid farm, the display being the third cutting, and he expects to have about two more before the season is over. He also had splendid samples of oats, wheat, millet, clover and sweet clover. Mr. Givens took the premium on his farm display at the Blue Grass fair last year, defeating a Fayette farmer, who had been winning it for a number of years. This year that "ring" at the Blue Grass fair was cut out for some reason. Mr. Givens has been warmly congratulated upon his display at the fair here. It is proposed to offer liberal premiums for each display as this at next year's fair.
